

### A GLOBAL BRAND EXCELLING IN PACKAGING

ith 45 years of experience, Korozo ranks 161st in the list of top 500 Large Industrial Enterprises in Turkey and exports to 88 countries.

At Korozo, we anticipate the needs and expectations of the flexible packaging sector through our innovative approach. In this context, processes in Korozo are streamlined to provide flexible packaging solutions for food and non-food items.

Our product portfolio offers a wide range of high quality flexible packaging options like; confectionery, bakery, cheese & dairy, meat-poultry & seafood, dried foods & ingredients, frozen & chilled foods, tea & coffee, fresh fruits & vegetables, pet food and beverages.

Our non-food packaging range includes personal care, home care, agriculture, industrial films, pallet wrap, thermal lamination films, VCI films and protective films. 210 THOUSAND square meters
